## FEMALE OWNED

Xanthe Tsirgiotis is a 20-year-old student at California Polytechnic State University. After years of experience sewing her own clothing items, she finally decided to start her own business in 2021. She is now the sole owner of Golden Honey and does all of her own sewing, marketing, and sales.

## TRENDY STYLES

Everything created by Golden Honey is trendy and up to date with current styles. Xanthe has designed and sewn corsets, crop tops, scrunchies, and a wide variety of other items which were quickly sold out.

## SUSTAINABILITY PROMISE

At Golden Honey, we promise to take an active stance against fast fashion. We prioritize the use of sustainable materials and techniques when making our products. Much of our material is recycled, and it is all locally sourced. All of our items are also sewn by hand.
